DUCHY 21

Duchy 21

With ample cockpit space for eight guests, this stylish open day boat provides the perfect platform for picnics on the water, day cruising and relaxing with family and friends.

Dive into the water from a ladder that aligns with the cockpit's central steps. Dry off in style by reclining on the comfortable waterproof cushions of the forward double sunbed. Create a spacious overnight double berth or a fully-enclosed cockpit when skies turn grey with ingenious sprayhoods that disappear when not in use. Sip something chilled from the fridge whilst listening to your favourite tunes. Prepare a gourmet supper at the hob and dine al fresco at hand-crafted oak tables – or transport it ashore in your bespoke picnic hamper.

Powered by either diesel engine or electric motor, this highly versatile, capable sea-going boat can be towed and launched almost anywhere – at the coast, or on the river, fjord or lake.
