DUCHY 27

Duchy 27

Classically styled with elegant lines, this weekender for two or picnic boat for six guests offers exceptional performance and creature comforts.

Rich teak decking, exquisite bespoke joinery, custom-made stainless steel handrails and leather seating add a touch of luxury to the elegant cockpit that provides room for you to relax and entertain. Swimming is easy with a walk-through transom that leads to a bathing platform and ladder. After a refreshing dip, dry off in style on waterproof upholstery. Keep yourself protected from the sun with an expansive bimini over the cockpit or for even greater shade, take a nap down below. Perfect for occasional overnights, you can heat up some dinner on the stove and get a night's rest after a rewarding day exploring the coast.

An extremely versatile launch that can comfortably navigate the coastline, even in rough seas, the Duchy 27's potent 200hp diesel engine also offers excellent fuel efficiency.

Profile

Deck Plan
