Winner of the Wheelhouse and Cockpit Cruisers category of Motor Boat & Yachting magazine's 2018 Motor Boat Awards.

The Duchy 35 has been created specifically for cruising and relaxing in style.

With a spacious cockpit and expansive saloon, the design also offers additional flexibility in that you can select either a single or twin cabin layout.

With a single cabin layout, she becomes a luxury day boat or weekender for two. A twin cabin layout transforms her into a comfortable family cruiser with a well-equipped galley located in the spacious saloon and two double berths below.

A full-width electric sunroof enables you to absorb the light as you take in panoramic sea views from all-round windows and the shower compartment offers generous headroom. Your choice of hardwood joinery, electronics and leather seating enhance your comfort and create a luxurious environment like no other.

Built in low-maintenance composites, the seaworthy Duchy 35 can be moored easily and safely with her high bulwarks. A side door beside the helm provides easy access to the foredeck and touchscreen displays offers uncomplicated control of all on-board electronics.
