DUCHY 45

Duchy 45

Combining superb seakeeping with elegant lines, the Duchy 45 is the ideal cruiser for all levels of experience.

Admirers of our popular Duchy Motor Launches will be intrigued to see this concept from Andrew Wolstenholme's drawing board.

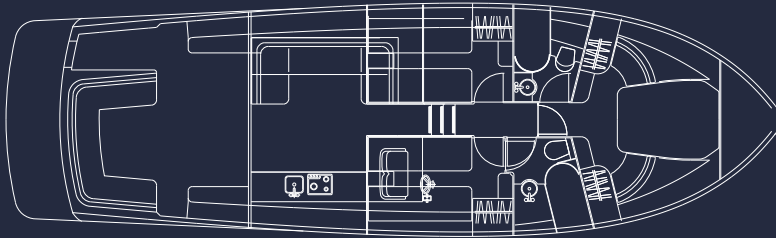

Conceived upon similar lines to her smaller cousins, this 45ft seagoing craft is a natural addition to our Duchy range.

Constructed to exemplary standards with an interior fit-out to match, maximum space utilisation, a highly capable engine package and an impressive design provenance, the Duchy 45 offers a tempting prospect for those who appreciate something truly special.

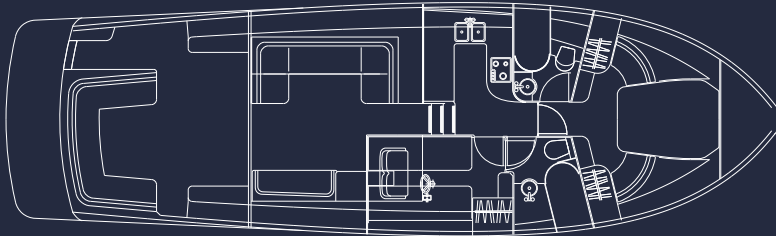

A semi-displacement motor vessel with a target top speed of 23 to 32 knots depending on the engine package you select, this design is ready and waiting for us to customise to your unique specifications. Both IPS and Shaft Drive options available.

Deck Plan – Galley Up

Deck Plan – Galley Down
